

PROTECTION FOR YOU AND YOUR INSURANCE POLICY
THE WASHINGTON LIFE AND DISABILITY INSURANCE GUARANTY ASSOCIATION

PREFACE

This brochure briefly describes the coverage provided through the Washington Life & Disability Insurance Guaranty Association ("Association").

The Association is a nonprofit unincorporated legal entity created by the Washington Life and Disability Insurance Guaranty Association Act, Chapter 48.32A RCW ("Act"). Every life and disability insurance company authorized to do business in Washington is a member of the Association. A Board of Directors ("Board"), composed of representatives from member insurers, and the Insurance Commissioner, ex officio, oversee the operation of the Association.

The expenses of the Association are paid by assessments made against each member insurer. Persons covered by the Act are not charged for the expenses of the Association or the protection provided under the Act.

Coverage is provided for certain life and disability insurance. However, the Association does not cover all such insurance. Coverage that is provided is subject to the limitations and exclusions provided by the Act.

The purpose of this brochure is to help you understand the general nature and the conditions of the protection provided under the Act. It is only a summary, however, and if you have specific questions that are not discussed here you may contact either the Association or the Office of the Insurance Commissioner.

QUESTIONS AND ANSWERS

1. WHAT INSURANCE POLICIES ARE COVERED UNDER THE ACT?

The Act applies to life insurance policies, disability insurance policies, and annuity contracts issued by an insurance company authorized to do business in Washington. The term "disability insurance," as used in the Act, includes not only disability income insurance, but also policies commonly referred to as "health insurance" (which includes long term care policies). Together, all of these policies and contracts are sometimes referred to as "covered policies," a term used in this brochure.

2. ARE THERE POLICIES OR INSURERS NOT COVERED BY THE ACT?

The Act specifically excludes certain types of policies or portions of policies, including, but not limited to: The portion of a policy not guaranteed by the insurer; the portion of a policy to the extent the interest rate or crediting rate exceeds the limits in the Act; policies of reinsurance, unless assumption certificates have been issued; policies issued in Washington by an insurer at a time when the insurer was not licensed or did not have a certificate of authority; policies issued to a self-insured plan or program; certain unallocated employee benefit plan annuities protected by federal law; and unallocated annuity contracts not issued to or in connection with a benefit plan or a government lottery.

The Act also does not apply to policies or contracts issued by health care service contractors, health maintenance organizations, fraternal benefit societies, self funded multiple employer welfare arrangements, mandatory state pooling plans, mutual assessment companies, insurance exchanges, or an organization that has a certificate or license limited to issuance of certain charitable gift annuities.

3. WHO IS PROTECTED UNDER THE ACT?

You are covered by the Act if you are an owner of or certificate holder under a policy or contract (other than an unallocated annuity contract or structured settlement annuity), and:

You are a Washington resident; or

You are not a Washington resident, but only if: the insurer is domiciled in Washington; there is an association similar to the Washington Association in your state of residency; and you are not covered in your state of residency, because the insurer was not licensed in that state; or

You are a beneficiary, assignee, or payee of one of the above, regardless of where you reside (except for nonresident certificate holders under group policies).

Owners of unallocated annuity contracts are covered if the contract was issued to or in connection with a specific benefit plan whose plan sponsor has its principal place of business in Washington, or the contract was issued to or in connection with a government lottery and the owner is a Washington resident.

4. HOW DOES THE ASSOCIATION PROTECT COVERED PERSONS AGAINST LOSS?

After an order of liquidation is entered against a company, the Association begins its work of carrying out the purpose of the Act, which is to assure the performance of insurance obligations of that company. The Association is authorized to carry out its duties by working with insurance companies in good standing to assume or take over the covered policies. The association may also directly provide benefits and coverage as authorized by the Act. The Association has the authority to collect the funds necessary to provide protection to covered persons against losses on their covered policies.

5. WHERE DOES THE ASSOCIATION GET THE MONEY TO PROVIDE THIS PROTECTION?

The Association is authorized to collect money from all life and disability insurance companies doing business in Washington. The funds collected from an assessment are used to pay claims to covered persons and/or to fund the assumption of covered policies by another insurer.

6. DOES THE ASSOCIATION PAY OUT THE MONEY IT COLLECTS RIGHT AWAY OR DO COVERED PERSONS HAVE TO WAIT?

The Association generally cannot make an assessment for covered policies issued by a company until after an order of liquidation has been entered against the company, and a reasonable estimate can be made of the amount of money needed. Insurance companies receiving an assessment notice must make their payments within thirty days.

Because it takes time for an action to be commenced against a financially impaired insurer, for a Court to issue an order, and for funds to be collected to satisfy the obligations of that insurer, some delay, hopefully short, is unavoidable before payments can be made. Although it is impossible to predict how long this process will take in any given case, an average time period of twelve to eighteen months is not unusual.

When necessary, the Association may borrow money to make payments more promptly, particularly in cases that will take an unusual amount of time to be resolved.

7. WHAT IS THE AMOUNT OF PROTECTION PROVIDED BY THE ACT?

The Act provides the following maximum amounts of protection:

Life Insurance Death Benefits	\$500,000
Disability Benefits and Health Benefits (including Long Term Care Benefits)	\$500,000
Present Value of Individual Annuities.....	\$500,000
Unallocated Annuity Contracts,	

other than certain government retirement plans
(limit is per contract owner or plan sponsor) \$5,000,000

Government Retirement Plans in
Unallocated Annuities established
under Internal Revenue Code § § 401, 403(b), or 457
(limit is per participant)..... \$100,000

This protection becomes effective at the time of entry of a Court order of liquidation against the insurer. Of course, if the amount owed under the contract or policy is less than the maximum benefit under the Act, the covered person will be entitled to protection only up to the actual amount owed.

Furthermore, the maximum protection available to each covered person remains the same, regardless of the number of contracts through which he or she has a claim.

8. IF A HUSBAND AND WIFE EACH INDIVIDUALLY OWN A COVERED POLICY, IS THE PROTECTION UNDER THE ACT PROVIDED TO EACH OF THEM?

Yes. As long as the residency requirements are met, both would be entitled to the protection provided by the Act, up to the maximum amount.

9. WHY DOESN'T MY INSURANCE COMPANY ADVERTISE THE FACT THAT ITS POLICIES AND CONTRACTS ARE PROTECTED UNDER THE ACT?

Under Washington law, insurance companies are prohibited from advertising that their policies or contracts may be covered under the Act.

10. WHY HASN'T MY AGENT TOLD ME ABOUT THE GUARANTY ACT?

Your insurance agent is subject to the same prohibitions as your insurance company. As a representative of the company, an agent must exercise great care when soliciting business and consequently, will generally not discuss the subject of a guaranty act with clients.

11. WHO SHOULD I CONTACT IF I BELIEVE THERE HAS BEEN A VIOLATION OF THE ACT?

You should contact the Association if you believe your rights have been violated under the Act. If you are dissatisfied with the actions of the Association, you may also contact the Office of the Insurance Commissioner.

CONCLUSION

This brochure has been prepared by the Washington Life and Disability Insurance Guaranty Association. Its purpose is to inform the public in a general way of the protections that are available in this state on insurance policies and annuity contracts issued by companies authorized to do business in Washington. The Association does not, by this brochure, endorse any company or its products, but rather seeks to address some of the concerns that you may have regarding the security of insurance policies and annuity contracts.

For more information or answers to specific questions you may contact the Washington Life and Disability Insurance Guaranty Association or the Office of the Insurance Commissioner, whose addresses and telephone numbers are shown in the Preface.

- b. The date you apply, if you apply within 60 days after you become eligible.

Late application: Evidence Of Insurability is required if you apply more than 60 days after you become eligible.

Note: For Employers requiring 100% Member participation, Contributory insurance becomes effective on the date you become eligible. You are not required to apply in writing.

B. Changes In Insurance

This Active Work requirement also applies to any increase in your insurance.

LT.AW.OT.1

CONTINUITY OF COVERAGE

If your Disability is subject to the Preexisting Condition Exclusion, LTD Benefits will be payable if:

1. You were insured under the Prior Plan on the day before the effective date of your Employer's coverage under the Group Policy;
2. You became insured under the Group Policy when your insurance under the Prior Plan ceased;
3. You were continuously insured under the Group Policy from the effective date of your insurance under the Group Policy through the date you became Disabled from the Preexisting Condition; and
4. Benefits would have been payable under the terms of the Prior Plan if it had remained in force, taking into account the preexisting condition exclusion, if any, of the Prior Plan.

For such a Disability, the amount of your LTD Benefit will be the lesser of:

- a. The monthly benefit that would have been payable under the terms of the Prior Plan if it had remained in force; or
- b. The LTD Benefit payable under the terms of the Group Policy, but without application of the Preexisting Condition Exclusion.

Your LTD Benefits for such a Disability will end on the earlier of the following dates:

- a. The date benefits would have ended under the terms of the Prior Plan if it had remained in force; or
- b. The date LTD Benefits end under the terms of the Group Policy.

WHEN YOUR INSURANCE ENDS

Your insurance ends automatically on the earliest of:

1. The date the last period ends for which a premium contribution was made for your insurance.
2. The date the Group Policy terminates.
3. The date your employment terminates.
4. The date you cease to be a Member. However, your insurance will be continued during the following periods when you are absent from Active Work, unless it ends under any of the above.
 - a. During the first 90 days of a temporary or indefinite administrative or involuntary leave of absence or sick leave, provided your Employer is paying you at least the same Predisability Earnings paid to you immediately before you ceased to be a Member. A period when you are absent from Active Work as part of a severance or other employment termination agreement is not a leave of absence, even if you are receiving the same Predisability Earnings.
 - b. During a leave of absence if continuation of your insurance under the Group Policy is required by a state-mandated family or medical leave act or law.
 - c. During any other temporary leave of absence approved by your Employer in advance and in writing and scheduled to last 30 days or less. A period of Disability is not a leave of absence.
 - d. During the Benefit Waiting Period.

LT.EN.OT.1

WAIVER OF PREMIUM

We will waive payment of premium for your insurance while LTD Benefits are payable.

LT.WP.OT.1

REINSTATEMENT OF INSURANCE

If your insurance ends, you may become insured again as a new Member. However, the following will apply:

1. If you cease to be a Member because of a covered Disability following the Benefit Waiting Period, your insurance will end; however, if you become a Member again immediately after LTD Benefits end, the Eligibility Waiting Period will be waived and, with respect to the condition(s) for which LTD Benefits were payable, the Preexisting Condition Exclusion will be applied as if your insurance had remained in effect during that period of Disability.
2. If your insurance ends because you cease to be a Member for any reason other than a covered Disability, and if you become a Member again within 90 days, the Eligibility Waiting Period will be waived.
3. If your insurance ends because you fail to make a required premium contribution, you must provide Evidence Of Insurability to become insured again.
4. If your insurance ends because you are on a federal or state-mandated family or medical leave of absence, and you become a Member again immediately following the period allowed, your insurance will be reinstated pursuant to the federal or state-mandated family or medical leave act or law.
5. The Preexisting Conditions Exclusion will be applied as if insurance had remained in effect in the following instances:
 - a. If you become insured again within 90 days.
 - b. If required by federal or state-mandated family or medical leave act or law and you become insured again immediately following the period allowed under the family or medical leave act or law.
6. In no event will insurance be retroactive.

LT.RE.OT.2

DEFINITION OF DISABILITY

You are Disabled if you meet the following definitions during the periods they apply:

- A. Own Occupation Definition Of Disability.
- B. Any Occupation Definition Of Disability.

A. Own Occupation Definition Of Disability

During the Benefit Waiting Period and the Own Occupation Period you are required to be Disabled only from your Own Occupation.

You are Disabled from your Own Occupation if, as a result of Physical Disease, Injury, Pregnancy or Mental Disorder:

1. You are unable to perform with reasonable continuity the Material Duties of your Own Occupation; and
2. You suffer a loss of at least 20% in your Indexed Predisability Earnings when working in your Own Occupation.

Note: You are not Disabled merely because your right to perform your Own Occupation is restricted, including a restriction or loss of license.

During the Own Occupation Period you may work in another occupation while you meet the Own Occupation Definition Of Disability. However, you will no longer be Disabled when your Work

Earnings from another occupation meet or exceed 80% of your Indexed Predisability Earnings. Your Work Earnings may be Deductible Income. See **Return To Work Provisions** and **Deductible Income**.

Own Occupation means any employment, business, trade, profession, calling or vocation that involves Material Duties of the same general character as the occupation you are regularly performing for your Employer when Disability begins. In determining your Own Occupation, we are not limited to looking at the way you perform your job for your Employer, but we may also look at the way the occupation is generally performed in the national economy. If your Own Occupation involves the rendering of professional services and you are required to have a professional or occupational license in order to work, your Own Occupation is as broad as the scope of your license.

Material Duties means the essential tasks, functions and operations, and the skills, abilities, knowledge, training and experience, generally required by employers from those engaged in a particular occupation that cannot be reasonably modified or omitted. In no event will we consider working an average of more than 40 hours per week to be a Material Duty.

B. Any Occupation Definition Of Disability

During the Any Occupation Period you are required to be Disabled from all occupations.

You are Disabled from all occupations if, as a result of Physical Disease, Injury, Pregnancy or Mental Disorder, you are unable to perform with reasonable continuity the Material Duties of Any Occupation.

Any Occupation means any occupation or employment which you are able to perform, whether due to education, training, or experience, which is available at one or more locations in the national economy and in which you can be expected to earn at least 60% of your Indexed Predisability Earnings within twelve months following your return to work, regardless of whether you are working in that or any other occupation.

Material Duties means the essential tasks, functions and operations, and the skills, abilities, knowledge, training and experience, generally required by employers from those engaged in a particular occupation that cannot be reasonably modified or omitted. In no event will we consider working an average of more than 40 hours per week to be a Material Duty.

Your Own Occupation Period and Any Occupation Period are shown in the **Coverage Features**.

(OWNOCC_ANY_WITH 40) LT.DD.OT.1

RETURN TO WORK PROVISIONS

A. Return To Work Responsibility

During the Own Occupation Period no LTD Benefits will be paid for any period when you are able to work in your Own Occupation and able to earn at least 20% of your Indexed Predisability Earnings, but you elect not to work.

During the Any Occupation Period no LTD Benefits will be paid for any period when you are able to work in Any Occupation and able to earn at least 20% of your Indexed Predisability Earnings, but you elect not to work.

B. Return To Work Incentive

You may serve your Benefit Waiting Period while working if you meet the Own Occupation Definition Of Disability.

You are eligible for the Return To Work Incentive on the first day you work after the Benefit Waiting Period if LTD Benefits are payable on that date. The Return To Work Incentive changes 12 months after that date, as follows:

1. During the first 12 months, your Work Earnings will be Deductible Income as determined in a., b. and c:
 - a. Determine the amount of your LTD Benefit as if there were no Deductible Income, and add your Work Earnings to that amount.
 - b. Determine 100% of your Indexed Predisability Earnings.
 - c. If a. is greater than b., the difference will be Deductible Income.
2. After those first 12 months, 50% of your Work Earnings will be Deductible Income.

C. Work Earnings Definition

Work Earnings means your gross monthly earnings from work you perform while Disabled, plus the earnings you could receive if you worked as much as you are able to, considering your Disability, in work that is reasonably available:

- a. In your Own Occupation during the Own Occupation Period; and
- b. In Any Occupation during the Any Occupation Period.

Work Earnings includes earnings from your Employer, any other employer, or self-employment, and any sick pay, vacation pay, annual or personal leave pay or other salary continuation earned or accrued while working.

Earnings from work you perform will be included in Work Earnings when you have the right to receive them. If you are paid in a lump sum or on a basis other than monthly, we will prorate your Work Earnings over the period of time to which they apply. If no period of time is stated, we will use a reasonable one.

In determining your Work Earnings we:

1. Will use the financial accounting method you use for income tax purposes, if you use that method on a consistent basis.
2. Will not be limited to the taxable income you report to the Internal Revenue Service.
3. May ignore expenses under section 179 of the IRC as a deduction from your gross earnings.
4. May ignore depreciation as a deduction from your gross earnings.
5. May adjust the financial information you give us in order to clearly reflect your Work Earnings.

If we determine that your earnings vary substantially from month to month, we may determine your Work Earnings by averaging your earnings over the most recent three-month period. During the Own Occupation Period you will no longer be Disabled when your average Work Earnings over the last three months exceed 80% of your Indexed Predisability Earnings. During the Any Occupation Period you will no longer be Disabled when your average Work Earnings over the last three months exceed 60% of your Indexed Predisability Earnings.

D. Family Care Expenses Adjustment (for Members insured under Premier Plus Plan only)

If you are insured under the Premier Plus Plan, and you must pay Family Care Expenses in order to work, we will reduce the amount of the Work Earnings used in determining your Deductible Income, subject to the following:

1. Your Work Earnings will be reduced by the first \$250 per Family Member of the monthly Family Care Expenses you pay, but not to exceed a total of \$500 for all Family Members.
2. The Work Earnings and the Family Care Expenses must be for the same period.

3. You must give us satisfactory proof of the Family Care Expenses you pay.
4. The Work Earnings reduction by Family Care Expenses will end 12 months after it begins.

Family Care Expenses means the amount you pay to a licensed care provider for the care of your Family which is necessary in order for you to work.

Family Member means:

1. Your Child; or
2. Your spouse, parent, grandparent, sibling, or other close family member residing in your home who is:
 - a. Continuously incapable of self-sustaining employment because of mental retardation or physical handicap; and
 - b. Chiefly dependent upon you for support and maintenance.

Child means:

RULES FOR DEDUCTIBLE INCOME

A. Monthly Equivalents

Each month we will determine your LTD Benefit using the Deductible Income for the same monthly period, even if you actually receive the Deductible Income in another month.

If you are paid Deductible Income in a lump sum or by a method other than monthly, we will determine your LTD Benefit using a prorated amount. We will use the period of time to which the Deductible Income applies. If no period of time is stated, we will use a reasonable one.

B. Your Duty To Pursue Deductible Income

You must pursue Deductible Income for which you may be eligible. We may ask for written documentation of your pursuit of Deductible Income. You must provide it within 60 days after we mail you our request. Otherwise, we may reduce your LTD Benefits by the amount we estimate you would be eligible to receive upon proper pursuit of the Deductible Income.

C. Pending Deductible Income

We will not deduct pending Deductible Income until it becomes payable. You must notify us of the amount of the Deductible Income when it is approved. You must repay us for the resulting overpayment of your claim.

D. Overpayment Of Claim

We will notify you of the amount of any overpayment of your claim under any group disability insurance policy issued by us. You must immediately repay us. You will not receive any LTD Benefits until we have been repaid in full. In the meantime, any LTD Benefits paid, including the Minimum LTD Benefit, will be applied to reduce the amount of the overpayment. We may charge you interest at the legal rate for any overpayment which is not repaid within 30 days after we first mail you notice of the amount of the overpayment.

LT.RU.OT.1

SUBROGATION

If LTD Benefits are paid or payable to you under the Group Policy as the result of any act or omission of a third party, we will be subrogated to all rights of recovery you may have in respect to such act or omission. You must execute and deliver to us such instruments and papers as may be required and do whatever else is needed to secure such rights. You must avoid doing anything that would prejudice our rights of subrogation.

If you notify us before filing suit or settling your claim against such third party, the amount to which we are subrogated will be reduced by a pro rata share of your costs of recovery, including reasonable attorney fees. If suit or action is filed, we may record a notice of payments of LTD Benefits, and such notice shall constitute a lien on any judgment recovered.

If you or your legal representative fail to bring suit or action promptly against such third party, we may institute such suit or action in our name or in your name. We are entitled to retain from any judgment recovered the amount of LTD Benefits paid or to be paid to you or on your behalf, together with our costs of recovery, including attorney fees. The remainder of such recovery, if any, shall be paid to you or as the court may direct. We will apply our subrogation rights under this provision in accordance with applicable law.

2. We have given you or any other person claiming benefits a copy of the signed written instrument which contains the misrepresentation.

After insurance has been in effect for two years during the lifetime of the insured, we will not use a misrepresentation to reduce or deny the claim, unless it was a fraudulent misrepresentation.

B. Incontestability Of The Group Policy

Any statement made by the Policyholder or Employer to obtain the Group Policy is a representation and not a warranty.

No misrepresentation by the Policyholder or your Employer will be used to deny a claim or to deny the validity of the Group Policy unless:

1. The Group Policy would not have been issued if we had known the truth; and
2. We have given the Policyholder or Employer a copy of a written instrument signed by the Policyholder or Employer which contains the misrepresentation.

The validity of the Group Policy will not be contested after it has been in force for two years, except for nonpayment of premiums or fraudulent misrepresentations.

CLERICAL ERROR, AGENCY, AND MISSTATEMENT

A. Clerical Error

Clerical error by the Policyholder, your Employer, or their respective employees or representatives will not:

1. Cause a person to become insured.
2. Invalidate insurance under the Group Policy otherwise validly in force.
3. Continue insurance under the Group Policy otherwise validly terminated.

B. Agency

The Policyholder and your Employer act on their own behalf as your agent, and not as our agent. The Policyholder and your Employer have no authority to alter, expand or extend our liability or to waive, modify or compromise any defense or right we may have under the Group Policy.

C. Misstatement Of Age

If a person's age has been misstated, we will make an equitable adjustment of premiums, benefits, or both. The adjustment will be based on:

1. The amount of insurance based on the correct age; and
2. The difference between the premiums paid and the premiums which would have been paid if the age had been correctly stated.

LT.CE.OT.1

TERMINATION OR AMENDMENT OF THE GROUP POLICY

The Group Policy may be terminated by us or the Policyholder according to its terms. It will terminate automatically for nonpayment of premium. The Policyholder may terminate the Group Policy in whole, and may terminate insurance for any class or group of Members, at any time by giving us written notice.

Benefits under the Group Policy are limited to its terms, including any valid amendment. No change or amendment will be valid unless it is approved in writing by one of our executive officers and given to the Policyholder for attachment to the Group Policy. If the terms of the certificate differ from the Group Policy, the terms stated in the Group Policy will govern. The Policyholder, your Employer, and their respective employees or representatives have no right or authority to change or amend the Group Policy or to waive any of its terms or provisions without our signed written approval.

We may change the Group Policy in whole or in part when any change or clarification in law or governmental regulation affects our obligations under the Group Policy, or with the Policyholder's consent.

Any such change or amendment of the Group Policy may apply to current or future Members or to any separate classes or groups of Members.
