IMPORTANT INFORMATION ABOUT THE LIFE INSURANCE COVERAGE YOU ARE BEING OFFERED

Save this statement! It may be important to you in the future. The Washington State Insurance Commissioner requires that we give you the following information about Life Insurance benefits.

This disclosure provides a very brief description of the important features of the coverage being considered. It is not an insurance contract and only the actual policy provisions will control. The policy itself will include in detail the rights and obligations of both the master policyholder and Standard Insurance Company.

The Life Insurance Benefits under this group policy are summarized below. This Group Life Insurance contract provides insurance benefits to Members [and your insured Dependents] as a result of Injuries sustained in a Covered Accident. The benefit amounts you [or your Dependent] could receive in the event of a Covered Accident are shown below. Benefits are paid once per Covered Accident, unless otherwise noted. "You" refers to an insured Member.
